**Re: Delegation Status Request for Strategic Planning & Priorities Committee Meeting**

Dear Chair and Members of the Strategic Priorities and Policy Committee,

London & Middlesex Community Housing (LMCH) would like to formally request delegation status at the Strategic Planning and Priorities Committee meeting scheduled for June 7 or 22, 2022 to hold our Annual General Meeting of the Shareholder. LMCH requests a 5-minute delegation to provide the Shareholder a presentation on the LMCH annual report of 2021.

Please advise if Civic Administration is requiring anything for the corresponding report related to the standard resolution and receipt of the LMCH audit.

Sincerely,

Paul Chisholm,  
Chief Executive Officer
