Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (max. 250 characters): **I have been on Cycling Advisory Committee since May 2021. I have known a lot about how we can make London a bike friendly community. I was a rewarding role to assist the City with bicycle plans, improving safety and encouraging more residents to use cycling for transportation and recreation**

What do you hope to contribute or learn as part of a Community Advisory Committee? (max. 250 characters): **I have been caring about environmental issues and sustainable development for a long time. Being "green" is an responsibility of everyone. And I want to be a part of educational initiatives and actions that will make difference in our city both in the short and long perspectives.**

The areas that I am most interested are "waste reduction, reuse and recycling programs; water and energy conservation measures;" I would be happy to share my knowledge and experience in personal and business reuse and recycling actions as well as new energy technology. I would like to know more about the City's initiatives how to make our needihoods cleaner.

How will you support the work of a Community Advisory Committee? (max. 250 characters): **Attending the meetings I am going to provide my current knowledge and analysis on the environmental issues and offer the ways how to achieve the goals of Climate Emergency Action Plan. Spreading the word and educate about the environmental problems and possible solutions and actions will help get more residents involved in making our city resilient to climate change impacts.**

Please describe additional experience, training, or community involvement that will help you in your role as a Community Advisory Committee Member. (max. 250 characters): **I am trained in Project management and MBA that helps me to see the whole picture while paying attentions to detail. I have a business expertise in recycling and reusing.**
