Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (max. 250 characters): **This is the first time that I have applied to be on a London Advisory Committee.**

What do you hope to contribute or learn as part of a Community Advisory Committee? (max. 250 characters): **I am a member of the Hyde Park and District Lions Club. One of our core areas of service is the environment.**

What I would contribute to the committee would be experience working with local service organizations in identifying areas of environmental concern and collaborating on improvements.

What I would like to learn from being part of the ESACAC is a greater understanding of community needs and where they exist so that we can be more targeted and effective in our environmental work.

How will you support the work of a Community Advisory Committee? (max. 250 characters): **I would support the ESACAC by attending meetings, doing research, contacting organizations and agencies and attending functions and events as necessary to facilitate to effectiveness of the committee.**

As a Lion I have access to a large network of local volunteers as well as the research and support of Lions Clubs International. In certain circumstances, there are grants and funding available for projects through Lions Clubs International Foundation.

Please describe additional experience, training, or community involvement that will help you in your role as a Community Advisory Committee Member. (max. 250 characters): **I am part of our Lions District team and will be the District Governor starting in July 2023. This area covers Southwestern Ontario. As well I am a member of our multiple district covering Ontario. I work closely with the other Lions clubs in London. Lions are the world's largest service organization with over 1.4 million members. Of the Lions five core areas of service, the environment is my main area of focus.**

Lions clubs have active been in London for over 100 years and have been part of many environmental projects including parks, tree planting, park and highway cleanup, rain barrel sales, plant sales and more. We also partner with other organizations on environmental projects.

I have taken extensive training through the Lions Clubs International, most recently the Advanced Lion Leadership Institute which was held in Calgary in March of this year. I also have an Honours Bachelor of Science from the University of Toronto.
