Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (max. 250 characters): **none**

What do you hope to contribute or learn as part of a Community Advisory Committee? (max. 250 characters): **I hope to learn about stewardship of the London Parks Environment and Ecology.**

I can contribute a strong physical work ethic as regards to actually getting hands dirty cleaning the parks and can offer an unbiased mind to decision making.

How will you support the work of a Community Advisory Committee? (max. 250 characters): **Since 2012 when I moved to London I have enjoyed walking and biking the streets and park pathways.**

I have not enjoyed the physical abuse these thoroughfares have endured and therefore have carried garbage bags to collect the trash. I have averaged about five hundred pounds a year. A garbage bag can safely hold about ten pounds and I average about two per walk of bike ride.

Last year I bike over a thousand kilometres mostly through the TVP from Wortley Village to Petersburg Dog Park then north up to Sanford Street and Kilally then back through the TVP . Sometimes I return home after Pottersburg.

With my on the ground experience I think I can aid in gathering information for decision making.

Thank you for your consideration.

Please describe additional experience, training, or community involvement that will help you in your role as a Community Advisory Committee Member. (max. 250 characters): **I did volunteer in the TDSB as a reader or helper for young school children until Covid.**

I am a driver for Meals On Wheels.

I donate to the The Caring Cupboard an in house food charity at thirty Baseline Rd., a low income housing unit.
