

Greetings and good morning I would like to respectfully request to speak to the committee regarding the need for water at Pottersberg dog park.

I represent over 300 plus dog owners who use the park on a daily basis and over the last 2 years, this has become so popular that upon arrival at the park, there are no available parking spots.

I would therefore like permission to speak to this issue at the July 26 meeting.

Thank you in advance

Rick Haslip representing
