**Subject:** [EXTERNAL] 767 Fanshawe Park Road Planning Application Z-9499

May 16, 2022

Good Afternoon,

My husband and I have read the detailed response to the request to the proposed amendment to allow the planning application Z-9499 as prepared by Maureen and Randy Wilson who reside at 105 McLeod Crescent. Their property abuts the subject property.

We agree with and support their response against this proposal.

Regards,

Stuart and Cathy Cunningham
