Subject: United Way's LDRRAC Membership

Hello Betty,

I am pleased to introduce myself as the new Director of Partnerships & Investment at United Way (Kelly's successor). I am writing to inquire about United Way's membership on LDRRAC. As I understand, we have a formal seat (non-voting) on the Committee in Kelly's name.

I would like to request that I be appointed as Kelly's replacement on the Committee. I gather that this request will go to the Corporate Services Committee and then to Council before becoming official.

Thank you and I look forward to hearing from you.

Janet
