BACKGROUND

On October 22, 2004, the Province of Ontario announced its Dedicated Gas Tax Funds for Public Transportation Program. The London Transit Commission has advised that the Province has indicated that dedicated gas tax funds are to be used for the following purposes:

- Public transportation capital expenditures that promote increased transit ridership, and are above a municipality's baseline spending;
- Public transportation operating expenditures that are above a municipality's baseline spending;
- Capital expenditures for the replacement of any public transportation vehicles that are above a municipality's baseline spending;
- Capital expenditures that provide improvements to public transportation security and passenger safety, and are above a municipality's baseline spending; and
- Major refurbishment on any fully accessible, or to be made fully accessible, public transportation vehicle, and are above a municipality's baseline spending.

The Minister of Transportation has recently confirmed the City's allocation of \$9,468,844 for the, 2012/2013 Program. Each year the attached Letter of Agreement and supporting by-law must be received before the funds will be released.
