BACKGROUND

The City of London has been chosen by AMO to host AMO's 2014 Annual General Meeting in August. This is Ontario's foremost educational forum for municipal governments. The 2011 conference, hosted by London and Middlesex, attracted over 2,600 participants including more than 1,600 municipal delegates, Ontario's Premier, both opposition leaders, many members of the Ontario Government's cabinet, Opposition critics, MPPs, and exhibitors.

As part of its host municipality responsibilities, London is committed to hosting a reception at the 2013 AMO Annual General Meeting, Conference and Trade Show to be held in Ottawa, August 18-21. This is an opportunity for the City of London to promote the 2014 event. The estimated cost of this reception is \$36,500. This sponsorship contribution will cover food/beverage and related expenses. Tourism London will contribute \$4000 towards the 2013 reception and the balance will be accommodated within the existing 2013 budget.

The 2011 conference generated an economic impact of approximately \$3.4 million. A host sponsorship program will be developed in cooperation with Tourism London to secure external funding to recover 2014 hosting costs to the maximum extent possible. Further information regarding the 2014 hosting program will be reported to Committee this fall.

More information about this year's conference is available at www.amo.on.ca.
