Subject: RE: Accessibility Advisory Committee

Hello Jackie,

I am sorry that I have not been able to attend the meetings in the past few months and at this time I am not really able to be part of this committee due to our family situation.

My daughter spent 7 months in the hospital and now that she is home, I need to focus my attention on her health and the wellbeing of my family.

I am very sorry that I have to resign from the committee before I actually started.

I hope that you understand my situation and I apologize for any problems this may cause you and the committee.
