Attention: SPPC Committee – Committee of Adjustment

Thank you for accepting this letter. With the outcome of the election completed, I would like to ask Council to consider adding my name as a possible candidate to join the Committee of Adjustment.

I have had the opportunity to work with this committee for seven of the past eight years. In that time, I was chair for four of those years. I strongly believe my addition to this committee would be extremely beneficial due to a small learning curve to get back up to speed.

With that, I ask that this letter serve as a request to have my name added to possible candidates to fill the vacancy on the Committee of Adjustment.

Thank you for your Consideration
