**Subject:** [EXTERNAL] Recommendation for Consideration of Appointment to the Committee of Adjustment

Hello please submit David Millie for Consideration of Appointment to the Committee of Adjustment.

Below is David's application

Contact Info

Name: David Millie

City: London

Province: ON

Postal Code: N6B2E7

If you have experience on a London Board or Commission, please provide dates and details. (max. 3000 characters): This will be my first appointment to a Board or Commission for the city of London.

What do you hope to contribute or learn as part of a Board or Commission? (max. 3000 characters): I look forward to giving back to the community by balancing the needs of neighbours to ensure that London continues its path of being a world class city. The opportunity to learn more of the planning process and how it helps deliver the best projects possible to the people of London is of keen interest to me.

How will you support the work of a Board or Commission? (max. 3000 characters): My background as an IT Analyst will bring a detail oriented mindset to the Committee of Adjustments. As a volunteer with Scouts Canada in a management capacity and on board there I have learned how to balance competing interests when people's passions are in play, and there are few things where people are more passionate about something than their own neighbourhoods.

Please describe additional experience, training, or community involvement that will help you in your role as a Board or Commission Member. (max. 3000 characters): Throughout my career I have focused on process improvement of complex systems with multiple competing stakeholders and balancing their needs. In my volunteer work with the Scouts I have experience working with things that people are most passionate about and engaging that passion for the greater good. I have run for elected positions and spoken to thousands of folks and am looking to be involved in the city I love.

Thanks,  
Millie
