**Windermere Road Improvements, City of London  
Municipal Class Environmental Assessment Study  
Notice of Study Completion**

**The Study**

The City of London has completed the Municipal Class Environmental Assessment (EA) study to identify intersection, active transportation, and transit improvements to the Windermere Road corridor between Western Road and Doon Drive (see map). The ultimate recommended design addresses accessibility, safety and operational improvements along the corridor and intersections to accommodate all modes of transportation (pedestrians, cyclists, transit vehicles and motorists) and users of all ages and abilities. The proposed improvements include:

- One-Way Raised Cycle Track on both sides of Windermere Road, and a Two-Way Raised Cycle Track on Richmond Street, connecting the cycling facilities on Windermere Road and providing cycling connection to the Thames Valley Parkway Trail System
- Intersection Improvements to increase capacity and improve accessibility and safety for cyclists, pedestrians and vehicular movements
- Improvements to existing municipal infrastructure (watermains, storm sewers, sanitary sewers) identified for replacement

The study was completed in accordance with the requirements of Schedule ‘C’ projects as outlined in the Municipal Class EA document (2000, as amended in 2007, 2011 and 2015), which is approved under the Ontario Environmental Assessment Act.

**Environmental Study Report**

An Environmental Study Report (ESR) summarizing the study process and recommendations will be available for public review for 30 calendar days from October 14, 2022 to November 14, 2022.

The City of London is committed to informing and engaging the public about this study and will be providing the ESR for review online, on the City of London’s Get Involved website, at [getinvolved.london.ca/windermere](https://getinvolved.london.ca/windermere). A hardcopy of the ESR will also be available for review at the London Public Library – Masonville Branch – 30 N Centre Road, London, ON N5X 3W1 during regular hours and at the London City Hall – City Clerk’s Office 3rd Floor (300 Dufferin Ave) during

regular hours of operation Monday to Friday. If you require any accommodation to access the project information or online material, please contact the City of London Project Manager listed below.

Interested persons may provide written comments to the project team by November 14, 2022.

In addition, a request may be made to the Ministry of the Environment, Conservation and Parks (MECP) for an order requiring a higher level of study (i.e., requiring an individual/comprehensive EA approval before being able to proceed), or that conditions be imposed (e.g., require further studies), only on the grounds that the requested order may prevent, mitigate, or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests on other grounds will not be considered. Requests should include the requester contact information and full name for the ministry.

Requests should specify what kind of order is being requested (request for additional conditions or a request for an individual/comprehensive environmental assessment), how an order may prevent, mitigate, or remedy those potential adverse impacts on Aboriginal and treaty rights, and any information in support of the statements in the request. This will ensure that the ministry is able to efficiently begin reviewing the request. The request should be sent in writing or by email to:

Minister of the Environment, Conservation and Parks Ministry of Environment, Conservation and Parks 777 Bay Street, 5 <sup>th</sup> Floor Toronto ON, M7A 2J3 <a href="mailto:minster.mecp@ontario.ca">minster.mecp@ontario.ca</a>	Director, Environmental Assessment Branch Ministry of Environment, Conservation and Parks 125 St. Clair Ave. W, 1 <sup>st</sup> Floor Toronto ON, M4V 1P5 <a href="mailto:EABDirector@ontario.ca">EABDirector@ontario.ca</a>
