## 1. WHAT IS A HERITAGE ALTERATION PERMIT?

Heritage Alteration Permit approval is required prior to undertaking changes to a heritage designated property. These changes could include the alteration, replacement, removal, or destruction of the property's heritage attributes.

The intent of the Heritage Alteration Permit application process is to conserve the cultural heritage value of a heritage designated property and its heritage attributes for future generations.

## 2. WHEN IS A HERITAGE ALTERATION PERMIT REQUIRED?

For properties individually designated, Heritage Alteration Permit approval is required by Section 33(1) of the *Ontario Heritage Act* if any change is likely to affect any of the property's heritage attributes.

For properties designated as part of a Heritage Conservation District, Heritage Alteration Permit approval by Section 42(2.1) of the *Ontario Heritage Act* based on the classes of alterations identified in the applicable Heritage Conservation District Plan.

## 3. WHAT IS THE HERITAGE ALTERATION PERMIT APPLICATION PROCESS?

The following describes the typical process for a Heritage Alteration Permit:

### 1. Contact

A property owner or applicant contacts a Heritage Planner to determine if Heritage Alteration Permit approval is required for a potential or proposed change to a heritage designated property.

### 2. Consultation

Discussions with the property owner or applicant and a Heritage Planner regarding the scope of the proposed change and required information. This may include a pre-consultation meeting and/or a site visit to the property.

### 3. Submit Heritage Alteration Permit application

The property owner or applicant submits the Heritage Alteration Permit application, including all required information, to a Heritage Planner ([heritage@london.ca](mailto:heritage@london.ca)). The Heritage Planner will review the submitted application. If complete, the Heritage Planner will issue a Notice of Receipt, which initiates the legislated ninety (90) day review timeline.

### 4. Type of Review/Approval

The Heritage Planner will determine the type of approval required for the Heritage Alteration Permit application.

**a) Delegated Authority – By-law C.P.-1502-129, as amended**

The Heritage Planner reviews the Heritage Alteration Permit application and makes a recommendation to the Manager, Community Planning, Urban Design and Heritage to approve or approve with terms and conditions.

**b) CACP Consultation, Municipal Council Decision**

The Heritage Planner reviews the Heritage Alteration Permit application and prepares a staff report to the Community Advisory Committee on Planning (CACP) with a recommendation to approve, approve with terms and conditions, or refuse the Heritage Alteration Permit application. With the recommendation of the CACP, Municipal Council will approve, approve with terms and conditions, or refuse the Heritage Alteration Permit application.

**5. Heritage Alteration Permit**

The property owner or applicant receives notification of the decision on their Heritage Alteration Permit application. Changes may be undertaken to the heritage designated property in compliance with the approval or approval with terms and conditions of the Heritage Alteration Permit.

**4. WHAT INFORMATION IS REQUIRED FOR A HERITAGE ALTERATION PERMIT APPLICATION?**

Sections A, B, C, D, E, and F of the Heritage Alteration Permit application form must be completed, and all required information submitted. Attachments must include the required information to provide the descriptive and technical information (information and materials) for the review of the Heritage Alteration Permit application.

Although it is not required to obtain professional assistance in the preparation of a Heritage Alteration Permit application, property owners/applicants are encouraged to seek the assistance of an architect, cultural heritage specialist, or experienced and qualified professional familiar with the requirements of conserving heritage designated properties.

A Heritage Alteration Permit application is deemed complete only when all required information has been received and accepted by the Heritage Planner. The Heritage Planner will review the submitted application to determine if the required information has been received. Once the Heritage Planner determines all the required information has been submitted to the City's satisfaction, a Notice of Receipt will be issued by the Heritage Planner, as required by the *Ontario Heritage Act*.

The information listed below is required information for a complete Heritage Alteration Permit application:

**a) Description of Property**

Clearly identifying the property and its cultural heritage status pursuant to the *Ontario Heritage Act*.

**b) Proposed Change(s)**

Identifying the type of work, any related applications, a description of the proposed changes, and providing a rationale for the changes required as well as any potential impacts to the heritage attributes of the property.

**c) Required Information**

Required information can vary depending on the type, scale, and extent of the proposed change but generally includes, but is not limited to:

- Written description and specifications of the proposed change(s), including materials and methodology.
- Photographs that depict the existing building(s), structure(s), and heritage attributes that are affected and their condition and context.
- A site plan or sketch that illustrates the location of the proposed change(s).
- Dimensioned drawings of the proposed change(s). Drawings must document the existing condition and the proposed change(s). Drawings must include overall dimensions, specified sizes and labelled building elements, detailed architectural information with sizes and profiles, type of material and finishes specified on the drawings, construction methods and means of attachment. Freehand drawings are discouraged; pencil drawings cannot be accepted.
- All technical cultural heritage studies that are relevant to the proposed change. This could include, but is not limited to:
  - Historical documentation (e.g., old photographs, paint samples).
  - Heritage Impact Assessment.
  - Conservation Plan.

**d) Applicant Information**

Contact information for the property owner, authorized agent, and/or applicant.

**e) Declaration**

**f) Notes for Declaration**

**5. ADDITIONAL INFORMATION**

- There is no fee for a Heritage Alteration Permit application.

- The maximum review period for a complete Heritage Alteration Permit application is ninety (90) days.
- The property owner or applicant may request a delegation to the CACP when their Heritage Alteration Permit application is being considered.
- The property owner may, within thirty (30) days after receipt of the notice of decision, appeal the Municipal Council's decision to the Ontario Land Tribunal (OLT) by giving notice of the appeal to the OLT and the City Clerk, setting out the objection to the decision and the reasons in support of the objection. Further details, including forms and prescribed fees can be found on the OLT website: [www.olt.gov.on.ca](http://www.olt.gov.on.ca).
- Inspections may be undertaken to verify compliance with the Heritage Alteration Permit.
- Any changes or deviations from the proposed work as submitted in a Heritage Alteration Permit application and approved or approved with terms and conditions shall require an amendment to the Heritage Alteration Permit. Property owners and applicants are encouraged to contact the Heritage Planner if any changes are proposed or contemplated to the alterations authorized by a Heritage Alteration Permit in advance of undertaking any changes.
- Non-compliance with an approved Heritage Alteration Permit, including any terms and conditions, may result in charges laid against the property owner for violation of the *Ontario Heritage Act*.

**SECTION A: DESCRIPTION OF THE HERITAGE DESIGNATED PROPERTY**

Municipal Address: 864 Hellmuth Ave, London ON N6A3T8

Heritage Designation: ☐ Part IV By-Law \_\_\_\_\_

☒ Part V Heritage Conservation District Bishop Hellmuth

**SECTION B: PROPOSED CHANGE(S)**

Type of Work: ☐ alteration ☐ addition ☐ new building ☐ signage ☒ other

Related Applications: ☒ Building Permit ☐ Sign Permit ☐ other \_\_\_\_\_

Brief Description of Proposed Changes(s): \_\_\_\_\_  
Install driveway to the front right side of house (when facing house). Should this application not  
be approved, we will proceed with having our lawyer file a complaint with the Human Rights  
Tribunal of Ontario on the grounds of discrimination against a person with disabilities.

Reason for the Proposed Change(s): \_\_\_\_\_  
A disabled relative (mobility impairment) will be moving into the property. They are unable to  
access the house through the back as the house is on a hill and requires them to walk up 12+  
steps. It is unmanageable to have no front driveway as loading and unloading two children  
under the ages of 2 as well as a disabled adult using the back lane is extremely burdensome  
and unsafe.

Potential impact(s) to the Property's Heritage Attributes: \_\_\_\_\_  
Nil. Many neighbours on the street have front driveways including the next door neighbour. In  
fact, on Hellmuth, 25 houses have front driveways (of which 8 are double driveways).  
Furthermore, the 3 houses directly to the left of my house have front driveways, i.e. #860  
(double driveway), #856 (double driveway), and #862 (single). Additionally, in Bishop Hellmuth  
District of the 195 dwellings, 128 have front driveways.
