Hello,

On behalf of Girl Guides of Canada, Ontario Council, we are requesting to have the city of London declare February 22, 2023 as World Thinking Day. For over 90 years, World Thinking Day has been celebrated annually on February 22 and unites Girl Guides around the world for a day of international friendship. It is an opportunity to speak out on issues that affects girls and young women, celebrate the founding of Girl Guides and be connected to the 10 million members in 50 countries who are part of the Guiding movement. The theme for this year's World Thinking Day is Our World, Our Peaceful Future, encouraging Girls to work with nature to create a more peaceful and secure future for girls everywhere.

Across Canada, landmarks from coast to coast will be spreading awareness and participating in this important day by lighting up in "Guiding blue". We will be promoting the proclamations and lightings on our social media, website and weekly virtual newsletter alongside an interactive challenge for our members. We would love for London to participate by declaring February 22 as World Thinking Day in support of girl empowerment!

More information on Girl Guides of Canada can be found at <https://www.girlguides.ca>. More information on World Thinking Day, recognized by Girl Guides and Girl Scouts worldwide, can be found here, <https://www.waggs.org/en/what-we-do/world-thinking-day/>.

Thank you for your consideration,

Stephanie Tudor
