1.2 Overview: 2023-2027 Strategic Plan Development Process

Structure of Council's 2023-2027 Strategic Plan

The 2023-2027 Strategic Plan will be prepared using the following structure:

2.0 Discussion and Considerations

2.1 February 7, 2023, SPPC: Continuing to Set Key Elements of the Strategic Plan

The February 7, 2023, SPPC meeting will build on the work and direction provided at the previous SPPC meetings regarding the Strategic Plan. At this meeting, Council will receive an update on the community engagement feedback results to date and provide direction to set the vision, mission, values, strategic areas of focus, outcomes, and expected results. The draft strategies will also be tabled at this meeting. Council will debate and provide direction on the draft strategies at the February 28 SPPC meeting.

2.2 Tabling Draft Strategies

Strategies identify the actions that will drive progress toward achieving the outcomes (desired end state) and expected results (change required to achieve the outcomes) identified in the 2023-2027 Strategic Plan.

Draft strategies, attached as **Appendix A**, are being tabled based on the strategic areas of focus, outcomes, and expected results established by Council at the January 23, 2023, SPPC meeting.

Following the February 7 SPPC meeting, [Get Involved](#) and all engagement mechanisms will be updated to include the draft strategies. Londoners will have the opportunity to share their thoughts on the draft strategies and all other components of the draft Strategic Plan.

Once the Strategic Plan has been set, Civic Administration will develop the Multi-Year Budget that sets the pacing and targets for implementation along with a detailed implementation plan that outlines the actions, tactics, timelines, and accountabilities associated with the delivery of Council's Strategic Plan.

2.3 Next Steps

Following this meeting Get Involved will be updated to reflect Council's progress and direction on the vision, mission, values, strategic areas of focus, outcomes, expected results, and strategies.

This will kick-off the third phase of engagement on Council's 2023-2027 Strategic Plan. Londoners will have the opportunity to weigh in on all aspects of the draft 2023-2027 Strategic Plan, sharing what resonates with them, what is missing, and any other feedback they wish to provide.

Engagement opportunities will continue to be promoted through social media, digital billboard signage, radio ads, and hardcopy materials in community spaces. A community conversation toolkit will be launched that will support community members and organizations to host a conversation on the draft Strategic Plan and submit their feedback. Other engagement mechanisms during this phase include ward/townhall meetings, and engagement with the City's Community Advisory Committees.

This phase of engagement will conclude with the Public Participation Meeting that will be held on March 8, 2023.

All feedback gathered during this time will be themed and presented to Council at the February 28 and March 8, 2023, SPPC meetings.

Conclusion

The City of London's Strategic Plan defines the vision, mission, values, and priorities that will guide the work of Council and Civic Administration for the next four years. It will drive decision-making through the Multi-Year Budget and Technology Investment Strategy. Most importantly, it is a statement of commitment to the community; a reflection of the priorities of Londoners.

The 2023-2027 Strategic Plan will set London's course for the future, building on progress made through the City's current and past Strategic Plans, while recognizing and adapting to a very different global context.
