

Report to Corporate Services Committee

To: Chair and Members
Corporate Services Committee
From: Lynne Livingstone – City Manager
Subject: 2023 Accessibility Compliance Report
Date: February 21, 2023

Recommendation

That, on the recommendation of the City Manager the following Report **BE RECEIVED** for information purposes.

Executive Summary

In December 2021, the City of London's 2021 Accessibility Compliance Report was submitted to the Ministry for Senior and Accessibility as required. At that time, all areas were in full compliance with the exception of web accessibility. At that time, we had five (5) applications left to remediate and one website to transition to accessible standards. It is a requirement of the Ministry that we now submit our 2023 Accessibility Compliance Report as we are now fully compliant. We have remediated all remaining applications and are ready to submit an updated compliance report.

Once this report is received by the Corporate Services Committee, an updated Accessibility Compliance Report can be submitted to the Ministry and the report is then made publicly available on the City's accessibility webpage.

1.0 Background Information

Under the *Accessibility for Ontarians with Disabilities Act, 2005*, a compliance report is required to be submitted to the Accessibility Directorate of Ontario ('ADO') by a designated public sector organization, such as the City of London, every two years and the reports must be made available to the public.

The compliance report format is determined by the ADO and released to organizations in advance for review, certification, and submission by the deadline associated with each organization. The City of London's Accessibility Compliance Report was submitted in December 2021.

The purpose of this report is to provide Council with the 2023 Accessibility Compliance Report (Appendix A) which indicates that we are in compliance in all areas.

As noted in above, all applications and websites are now in full compliance with WCAG 2.0 AA.
