### 2.0 Discussion and Considerations

The *Public Sector Salary Disclosure Act, 1996* (PSSDA) was enacted to assure the public disclosure of salary and benefits paid in respect to employment in the public sector. The PSSDA requires organizations in receipt of substantial Provincial funding to disclose the amount of salary and benefits paid to individuals to whom the employer paid at least \$100,000 as salary. This reporting amount has remained at this level since instituted in 1996.

The filing with the Province discloses amounts paid to employees as salary and as taxable benefits who earned more than \$100,000 in 2022. An employee's "salary" includes such amounts as salary paid in the calendar year and, if applicable, amounts paid for acting pay, overtime, retroactive payments, settlements or vacation. An employee's "taxable benefits" includes amounts for items such as life insurance, parking, and vehicle allowances. The salary disclosure filing with the Province for Agencies, Boards & Commissions will be submitted to the Province of Ontario by March 7, 2023.

This summary Report, related to the filing with the Province, refers only to City Service Areas, and the RBC Place London (previously known as London Convention Centre). As it relates to these groups the filing with the Province includes:

- 322 employees who are members of the London Professional Fire Fighters

- Association (LPFFA);
- 279 Management employees;
- 11 employees who are members of London Civic Employees Local Union No. 107
- 5 employees who are members of Service Employees International Union Local 1 Canada Registered Nurses;
- 2 employees who are members of the Canadian Union of Public Employees Local Union No. 101;
- 2 employees from the RBC Place (London Convention Centre); and,
- 1 employee who is a member of Unifor Local 302.

The salaries listed in the filing with the Province reflect 2022 salaries for all employee groups.

The Agencies, Boards & Commissions not reflected above, report out through their respective governance structure.

## **Conclusion**

In accordance with the *Public Sector Salary Disclosure Act, 1996*, for those who earned more than \$100,000 in 2022, Civic Administration is required to file with the Province of Ontario the amount of salary and taxable benefits paid in 2022 by individual. This is a requirement by the Province as the City receives public funding from the Province of Ontario.
