1.2 Overview: 2023-2027 Strategic Plan Development Process

Structure of Council's 2023-2027 Strategic Plan

The 2023-2027 Strategic Plan will be prepared using the following structure:

2.0 Discussion and Considerations

2.1 March 28, 2023, SPPC: Council’s Draft 2023-2027 Strategic Plan

At the March 28, 2023, meeting of the Strategic Priorities and Policy Committee, Council will continue to deliberate and provide final direction on the draft 2023-2027 Strategic Plan.

The current draft 2023-2027 Strategic Plan is attached as **Appendix A**. This draft reflects Council’s direction at the March 8 SPPC meeting. It includes notations, where applicable, to note any feedback from staff regarding changes to strategies and metrics resulting from the February 28 SPPC discussion.

2.2 Next Steps

While the engagement portion of Council’s Strategic Plan has concluded, Londoners can continue to access information and updates about the draft 2023-2027 Strategic Plan through the City’s Get Involved engagement platform.

Civic Administration will bring back an updated draft final 2023-2027 Strategic Plan for Council’s review and direction to the April 17 SPPC meeting.

Conclusion

The City of London’s Strategic Plan defines the vision, mission, values, and priorities that will guide the work of Council and Civic Administration for the next four years. It will drive decision-making through the Multi-Year Budget and Technology Investment Strategy. Most importantly, it is a statement of commitment to the community; a reflection of the priorities of Londoners.

The 2023-2027 Strategic Plan will set London’s course for the future, building on progress made through the City’s current and past Strategic Plans, while recognizing and adapting to a very different global context.

Outcome 2: The City of London is a leader in becoming an equitable and inclusive community.	
2.1 Meaningful relationships and partnerships with equity-denied groups and with organizations led by, for, and with equity-denied communities.	a) # of new relationships/partnerships created with or led by equity-denied communities b) # of equity-driven initiatives, strategies, and actions implemented c) % of community members and organizations serving equity-denied groups that feel their interactions with the municipality are inclusive Note: Staff would recommend the revised wording and placement of this metric, to provide greater clarity on intent and scope when compared to the proposed addition from SPPC on February 28 under Expected Result 1.1 - “% of identified communities and organizations feel that their engagement with the municipality feels more inclusive”. There is not currently a mechanism to collect data that responds to this metric. If included as written, further assessment would be undertaken to scope a mechanism to collect this and other related data points. Additional investment would be required, and may result in a business case through the Multi-Year Budget process. The metric could be amended as required following this assessment.
2.2 Equity-denied groups come to London and choose to stay in our community.	a) Net average annual Newcomer inflow through direct and secondary migration b) Newcomer annual retention rate
2.3 Our services are informed and delivered by the communities we serve.	a) # of community engagement activities intentionally focused on engaging equity-denied groups b) # of services, programs, policies, and projects where the Equity Tool was applied

Outcome 3: All Londoners have opportunities to participate in civic engagement.		
3.1	Increased access for, and participation of, equity-denied groups in civic engagement.	a) # of community engagement activities intentionally focused on engaging equity-denied groups
		b) % of applicants to boards, commissions, and advisory committees who self-identify as being part of equity-denied groups
3.2	Increased participation in City of London internship programs and employment opportunities for equity-denied groups.	a) # of new internship positions filled by individuals who identify as being part of equity-denied groups
		b) % of new hires that identify as representing an equity-denied group
		c) % of employees, including interns, who indicate a sense of inclusion and belonging Note: Staff would recommend this wording as being more consistent with existing data collection through the Anti-Racism Anti-Oppression Division/People Services Division, compared to the proposed “% of respondents indicating satisfaction with how they feel included in the system that is the municipality”.

Housing and Homelessness

Population Level Indicators: Rate of Homelessness; Percentage of Households in Core Housing Need

Expected Result	Draft Metrics (what is the unit of measure? How will we measure success?)

		b) # of London residents experiencing poverty (based on the Low Income Cut-Off-After Tax (LICO-AT))
		c) Food bank utilization
		d) # of community garden plots Note: Staff would recommend this wording, as the number of plots is a more appropriate scale to measure incremental changes to the program compared to measuring by hectare, and also provides an indication of change in community interest (in terms of number of individuals participating).
		e) # of neighbourhoods with community gardens

Outcome 2: London is an affordable and supportive community for individuals and families.

2.1	Housing in London is affordable and attainable.	a) # of new housing units
		b) # of transitional, supportive, social, affordable units
		c) # of new attainable housing units

4.1	Increased and diversified economic activity from our core area.	a) # of new business licences issued in the core area
		b) Value of building permits in the core
		c) Net gain/loss of businesses Note: There is not currently a mechanism to collect data that responds to this metric. If included as written, further assessment would be undertaken to scope a mechanism to collect this and other related data points. Additional investment would be required, and may result in a business case through the Multi-Year Budget process. The metric could be amended as required following this assessment.
4.2	Increased residential occupancy and livability in the core area.	a) # of new public amenities in the core area
		b) # of new residential units in the core
		c) # of new tree plantings
		d) % core area residential rental vacancy rate Note: Staff would recommend that this metric be removed, given that there is not currently a mechanism to collect reliable data that responds to this metric. Rental vacancy rate data collected and reported by the Canada Mortgage and Housing Corporation (CMHC) is based on sampling that would not be sufficient to provide a statistically accurate measure of vacancy specific to the core area.

4.3	Increased commercial occupancy in the core area.	a) % core area commercial vacancy rate
		b) Sq ft of commercial space occupied vs vacant, ground level and upper floors Note: There is not currently a mechanism to collect data that responds to this metric. If included as written, further assessment would be undertaken to scope a mechanism to collect this and other related data points.
