# **Application**

Please choose the Board or Commission you are interested in serving on: **London Police Services Board** 

### **Contact Information**

Name: German A. Gutierrez Sanin

City: London

Province: **ON** 

Postal Code: N6H 4T1

# **Experience and Qualifications**

1. Serving on the Police Services Board requires monthly, full-day meeting attendance; each meeting requires 4-6 hours of reading in advance. Can you describe your ability to participate and contribute this minimum amount of time monthly?:

I am a professor of the School of Language and Liberal Studies at Fanshawe College and I do have the flexibility required to take on this responsibility by informing the Dean and Vice-president Academic of the College in advance once I have accepted a designation to the Board.

Also, my class times are 12 hours per week and my administrative occupations can be planned with the manager of my School. I will definitely have more than double the minimum time specified for service on the Board.

2. What skills, education, community involvement and/or experience (including lived experience) do you have that will assist you in a role on this specific board?:

Besides being a long time Journalist with a diploma as a war correspondent in Colombia, I served in that capacity in cooperation with the Colombian Armed Forces and Police for several years.

This resulted in my inclusion in several communication projects and the development of pieces designed to strengthen the institutional Mission and Vision statements of the Colombian Armed Forces.

I also wrote elaborate reports in English and Spanish for the Armed Forces and the Police on the operations carried out during the armed conflict with the Colombian Guerrilla between 1996 and 1999.

I worked closely with the Department of Communications D-5 of the Ministry of Defense in the development of communications strategies and specific Radio and Television advertisement.

In London, Ontario I have been very involved with the Community since 2004 in different capacities including membership in different Boards as can be seen in my resume.

- 3. If you have experience on a Board, Commission or Committee (in London or elsewhere), please provide the details. If you have not previously served on a Board, Commission or Committee, please describe why this appointment is of interest to you.:
- Past Member of the Board, Wil-Employment Connections, London, ON. (2005-2008)
- Chair -Sub council for Inclusion and Civic Engagement of the London and Middlesex Local Immigration Partnership Council, LMLIP (2010- 2012)
- Member of the Central Council London and Middlesex Local Immigration Partnership Council, LMLIP (2010-2016)
- Member of the Board of Trustees of the London Public Library appointed by City Council (2012-2014)
- Member of the Board Museum London 2013/2014

4. We value the contributions of Londoners with diverse experiences and welcome applications from individuals who share our commitment to reconciliation, equity and inclusion. Please describe how your work, community or lived experience will enhance these efforts through Board and Committee work. (max. 3000 characters):

My work as a professor of Reason and Writing, helping students from Canada and around the globe develop the Critical Thinking Skills necessary to achieve their professional goals, demands my commitment not only to equity, reconciliation and inclusion, but also to inclusion as a necessary contemplation for the development of a strong society.

My experience from the field of battle to the field of reconciliation is that the human spirit is strengthened by the knowledge of the fundamental principles of peaceful coexistence, fairness and opportunity.

The notion of Enforcement, absolutely essential to social order and peace, demands the observance of the highest standards of critical thinking and a rigorous commitment to the preservation of life, dignity and decorum. Beyond the usual definition of Police as that Civilian institution of a State that is responsible for maintaining public order and safety, Policing is in fact the collaborative mechanism of a society that is willing to accept a climate of nonnegotiable enforcement as a way to deter and control crime with the full cooperation of all sectors and organizations of that society. In this regard I have had years of experience and lived examples of things gone right and things gone wrong.
