Dear Committee of the Whole;

Please accept this letter as my notice of resignation from the Environmental and Ecological Planning Advisory Committee (EEPAC), effective immediately.

This is not a decision made lightly. I have found this Advisory committee and its work to be highly rewarding. However my professional schedule is such that I can no longer devote the time and investment to EEPAC which it deserves.

I wish all the best for EEPAC and its members. They do important work on behalf of all Londoners, and their expertise and commitment are to be highly commended.

Thank you for the opportunity to work with such an outstanding group. I appreciate everything I have learned from the process of volunteering on a City of London Advisory Committee, and look forward to participating similarly in the future.

Please do not hesitate to contact me if you have any questions or if I can ever be of assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Greg Vilks". The signature is written in a cursive style with a large initial "G".
