The uploading of court security and prisoner transportation costs began in 2012, with total funding of approximately \$25.6 million provided by the Province of Ontario to the City of London since then. The 2023 agreement sets out the allocation of funding of \$2,633,318. All CSPT funding is transferred to the London Police Service for the delivery of the service.

This report introduces a by-law to authorize the Mayor and the City Clerk to execute the Transfer Payment Agreement and any future amending agreements between His Majesty the King in Right of Ontario as represented by the Solicitor General for the Province of Ontario and The Corporation of the City of London with respect to the Court Security and Prisoner Transportation Program ("CSPT").

Linkage to the Corporate Strategic Plan

Accessing Court Security and Prisoner Transportation funding contributes to the Corporation's Strategic Plan under the "Leading in Public Service" strategic area of focus. Specifically, accessing non-tax supported sources of funding to support program delivery contributes to the strategy "Continue to ensure the strength and sustainability of London's finances."

Analysis

1.0 Background Information

1.1 Previous Reports Related to this Matter

- Court Security Prisoner Transportation Program Transfer Payment Agreement (Corporate Services Committee – March 28, 2022)

2.0 Discussion and Considerations

2.1 Background

On October 3, 2008, the Government of Ontario, the Association of Municipalities of Ontario (AMO), and the City of Toronto announced the results of the Provincial-Municipal Fiscal and Service Delivery Review in a ceremony at Queens Park along with the release of a corresponding report entitled “Facing the Future Together.” One of the results of this review that impacts municipalities was the gradual upload of court security costs and prisoner transportation costs. The uploading of these costs began in 2012 and was phased in over the years up to a maximum of \$125 million province-wide. Since 2012, total funding of approximately \$25.6 million has been provided by the Province to the City of London. In London, these services are delivered by the London Police Service. The City of London’s involvement in this program is limited to being a conduit of funding between the Province and London Police Service.

The City has received the next agreement for a one-year term which sets out the allocation of funding of \$2,633,318 for 2023 under the CSPT Program. The Province requires receipt of all municipalities’ executed CSPT agreements by March 17, 2023. An extension to this timeline was requested and granted to April 28, 2023.

As with previous agreements, Civic Administration proposed several changes to the Province to amend the agreement to more appropriately reflect the relationship between the Corporation of the City of London and the London Police Service, the organization responsible for the provision of these services. The agreement, as presented in Schedule 1 of the by-law, reflects the amended agreement which contains similar provisions as previous agreements signed. Unfortunately, Civic Administration continues to have some reservations with the agreement as it stands, however the Province has made it clear that they are unwilling to consider any further changes to their standard form agreement. Furthermore, should the municipality decide not to execute the agreement, funding of approximately \$2.633 million would be lost over the one-year term.

Despite amendments made, Civic Administration still has concerns with the amended agreement in the following areas:

a) Article A4.2 – Limitation on Payment of Funds

The agreement indicates that the Province is not obligated to provide instalments of the funding until it is satisfied with the progress of the project. The “project” for the purposes of this agreement is simply the provision of funds from the Corporation to the London Police Service, so it is not clear what would signify satisfactory progress for this provision. In the City’s opinion, this clause is not required to be part of the agreement.

b) Article 4.3 – Use of Funds and Carry Out the Project

The City has no control over how the Project is carried out. Although the Province has allowed the City to add a paragraph in Schedule C for clarity that the London Police Services Board is responsible for providing the services and carrying out the Project the Province would not agree to amend this clause.

c) Article A6.0 – Conflict of Interest

Although the Province has amended the agreement to recognize that the Municipality is not carrying out the program but rather funding the London Police Service who does, the City still has no control over how the London Police Services operates. As such, there is no conflict of interest and in the City's opinion, this clause is not required to be part of the agreement.

d) Article A7.0 – Reporting, Accounting, and Review

This article identifies that the City may be required to submit other reports other than what is prescribed in the agreement under a timeline and with content requirements specified by the Province. Without knowing what reporting requirements may be required, the Province could require that the municipality submit a report that it may not be able to produce. The City would prefer the Province to be more specific with respect to the "other reports" referred to in the agreement.

e) Article A9.0 – Indemnity

This provision exposes the City to unlimited liability. The risk is mitigated through insurance, loss transfer and control measures.

f) Article A11.0 – Termination on Notice

Concern was raised that this article contradicts what has been represented by the Province relative to this upload. This funding is being relied upon for budget purposes. If the agreement were to be terminated by the Province in accordance with this article, a budget shortfall would result.

Risk Management has reviewed the agreement and notes that Article 9.0 – Indemnity requires the City to indemnify the Province from any and all liability, claims, lawsuits, etc. arising out of this Agreement unless the loss was solely caused by the Province's negligence or wilful misconduct. Although this clause exposes the City to risk, the benefits of the Agreement outweigh the risks.

3.0 Financial Impact/Considerations

3.1 Funding Allocation

The funding allocation for 2023 is \$2,633,318, which is \$138,582 lower than the 2022 allocation and amount anticipated for planning purposes for 2023. While the total CSPT funding province-wide remained at \$125 million, the lower City of London allocation is driven by London Police Service's lower proportion of the total CSPT costs province-wide in 2021. This funding shortfall will represent a potential budget pressure for the London Police Service for 2023 and will be monitored in relation to program expenditures throughout the year through the City's and London Police Service's regular budget monitoring processes.

Additionally, as identified in Article A11.1 – Termination on Notice, "the Province may terminate this Agreement at any time without liability, penalty, or costs upon giving at least 30 days' Notice to the Recipient". If this upload is terminated, the City would have to cover the shortfall of funding through other funding sources and/or a reduction in other program expenditures. Civic Administration believes the risk of this occurring is extremely low.

Conclusion

The City of London was allocated \$2,633,318 for a one-year period for the CSPT program. This report introduces a by-law to authorize the Mayor and the City Clerk to execute the Transfer Payment Agreement and any future amending agreements

between the His Majesty the King in Right of Ontario as represented by the Solicitor General and The Corporation of the City of London with respect to the CSPT Program.
