To the members of the Strategic Priorities and Policy Committee

May 2, 2023

In November, when we were selecting the various committees, boards, and commissions we'd like to sit on, I was given the sage advice to not overcommit. I selected five commitments to see how the workload would balance with my personal life, and if I was able to dedicate enough time and energy to be a quality member.

After six months, I've found I have capacity to serve on another committee and would like to join the Governance Working Group to provide my thoughts on our processes. We've seen over the past few months a few areas we can improve upon, and I'd like to assist this excellent cohort of Council members.

As such, I would like to request the following:

To REQUEST the Strategic Priorities and Policy Committee appoint Councillor Franke to the Governance Working Group

Sincerely,

A handwritten signature in cursive that reads "Skylar Franke".

Councillor Skylar Franke
