RE: HDC Annual Meeting of the Sole Shareholder for the 2022 Calendar Year

Dear Mr. Schulthess:

Please accept this letter as a request for myself and Craig Cooper, Board/Chair to attend a meeting of the Strategic Priorities and Policy Committee of Council to report to the sole Shareholder of the Housing Development Corporation, London (HDC) and provide an overview of business activities from 2022. We are hoping this can be scheduled for the SPPC meeting of June 20, 2023.

We request a short delegation to provide the Shareholder a brief overview of 2022 business activities and answer questions of the Committee. Separate from this, the HDC 2022 audit is anticipated to be available in late May 2023 and will be sent to your attention once complete.

A number of the HDC business activities from 2022 will form part of the consolidated report to Community and Protective Services on the 2022 update to the Housing Stability Action Plan (HSAP), which will occur prior to the June SPPC meeting. In the same format as the prior year, we hope to use this HSAP update to inform the report to the Shareholder.

As always, thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to be "Matt Feldberg".
